Website Service: The inclusion of your School uniforms on our website that includes an online buying experience, where parents can purchase their uniforms and get it delivered home at your convenience. Our website (www.ZAKSstore.com) has easy to understand ‘Size Charts’, and promotional offers that helps facilitate parents purchase uniforms on line, and avoid line-ups in stores, saving them time and effort. *This service is paid for by the client.*

Alteration: We offer a ‘Two year free alteration service’ on all our garments purchased, since they come with generous seam allowances.

Order Form Service: The Order forms can be faxed/emailed to parents calling in the store or on the 800 (Zaks) helpline which can be filled in and sent back to the store/office. Goods then will be delivered free of charge to the school, or at a nominal charge to their respective residential locations.

Made to Measure: A ‘Made to Measure’ service is also provided to all students who don’t fit in the prescribed Size Grid of readymade uniforms, at no additional charge. The lead time for alterations is between 3 – 5 workings days.

Name Tag Machine: Our new Iron-On name tag machines instantly print name tags within seconds, which are a much easy alternative to stitch on ones. They can be used to variety of items and are more durable. This service is mobile and is offered also on an onsite selling basis.
