

Year 11 GCSE Art

Term 1 topic: Independent Project

Students investigate the work of a range of artists through analysis and experimenting with ideas. Students explore a range of media, techniques, materials and processes in response to artists.

LEARNING OBJECTIVES

- A01: Develop ideas based on research
- A02: Refine ideas through experimentation
- A03: Record ideas skillfully
- A04: Present a personal and meaningful response

Work to be completed:

1. Photoshoots and recording from photographs
2. Collection of Secondary images and recording
3. Artist research and experiments
4. Final ideas
5. Refinement of final idea (media, colour, composition)
6. Final piece plan
7. Final piece

Recording will take place in the form of drawing, painting, print making, photography and annotations

Expo 2020 'Challenge' Activity – 'Connecting Minds, Creating the future' Opportunity, Mobility, Sustainability

Opportunity - Students have the opportunity to gain professional skills and develop innovative personal responses to a range of scenarios. The briefs are realistic and local in context giving student the opportunity to understand creative industry processes. Students gain confidence through a range of tasks allowing them to communicate thoughts and ideas successfully.

Mobility – Consistence use of a range of professional software to provide students with relevant and valued technical skills. Students study a range of artists and designers in order to reflect on social, cultural and political contexts.

Sustainability – Through responding to a range of design briefs students are consistently problem solving and developing original and personal ideas. Students are encouraged to use digital software to create and present work.

Term 2 topic: Exam

Students work on an externally set brief. Students investigate the work of a range of artists through analysis and experimenting with ideas. Students explore a range of media, techniques, materials and processes in response to artists.

LEARNING OBJECTIVES

- A01: Develop ideas based on research
- A02: Refine ideas through experimentation
- A03: Record ideas skillfully
- A04: Present a personal and meaningful response

Work to be completed:

1. Mind Map & Brief Summary
2. General Research
3. Photoshoots and recording from photographs
4. Collection of Secondary images and recording
5. Artist research and experiments
6. Final ideas

Cross Curricular Links/Projects

Maths - Use of proportions, ratios, measuring, working with 2D and 3D shape

English - Use of PEAL to communicate, analyse and interpret the work of others, and own work. Understanding a range of texts as part of research. Understanding and applying specialist vocabulary.

Science - Understanding materials.

Geography - Cultural and geographical context of art and design.

History - Looking at historical and contemporary artists and designers to reflect on the impact of cultural and social contexts.

ICT - Use of technology to create work.

Moral Education – Discuss art and design as a reflection of society and changes in moral code and lifestyle.

Media Studies – Analysis and creation of animation, film, advertising.

Term 3 topic: Exam
